

LITERARY NOTES.

The Scribners have issued a new edition of Mr. W. G. Fisher's first volume of poems, "The New Day," which has been for a long time out of print. The next number of the Leisure Hour series will introduce a new volume. A copy will be sent to a select club of subscribers...

MINES AND MINING.

The mining stock markets last week, although generally dull, presented some interesting and encouraging features. In a number of instances it was developed before the end of the week that the executive officers of their respective companies had been quietly picking up their respective stocks without any effort to advance the price.
